LOT 2709

A Victorian burr walnut stationery cabinet writing box by Parkins & Gotto of London, the hinged top and fall front enclosing a fully fitted interior, width 42.5cm (some restoration).

Estimate: £100 - £200

Condition Report

2709. The writing box appears to have undergone an extensive restoration probably in the last 20 years, having been nicely re-polished throughout, good quality leathers and a later-made pen and ink compartment. This later-made compartment should push back in when closing the slope, but it does get caught and does need to be helped in a bit with a slight nudge.

Otherwise the cabinet has been nicely restored.

There is a key that works the lock, it is a replacement and does not work particularly well, but it does work.
