LOT 505

A modern Fabergé gold and semitranslucent pink enamelled egg pendant, decorated with gold stars, length 1.4cm, with a Fabergé 18ct gold oval link neckchain, numbered '343' and detailed '750', on a sprung hook shaped clasp, length 42cm, total weight 7.5g, with a numbered Certificate of Authenticity booklet, Fabergé case and box.

Estimate: £200 - £400

Condition Report

Some light scuffing/scratching to the gold areas of the egg, largely noticed when viewed under a loupe, to be expected with some use.

No cracks or damage evident to the enamel.

The egg itself is unmarked, but is integral to the chain, the clasps being too large for the egg to be removed.

The chain is in good condition, fully hallmarked for 18ct gold, numbered '343' and detailed 'Faberge', which corresponds to the number and image within the certificate booklet.

It is highly likely that the egg will also be of 18ct gold quality, but it is untested.

The chain on a second measuring is actually 42.5cm in length.
