LOT 643

A pair of gold and cornelian intaglio oval cufflinks, each carved with a classical motif, connected by serpentine link chains, unmarked, weight 9g, dimensions of each front approx 1.6cm x 1.3cm, with a case.

Estimate: £300 - £500

Condition Report

The gold is untested.

Some slight variation of quality of carving to the intaglios, which may suggest they do not all date from the same period.

All intaglios with some scratching/pitting to the surfaces, one more so than the others.

The gold setting in generally good condition.
