LOT 2004

A George III provincial mahogany dresser, the plate rack above three drawers and chamfered supports united by a pine boarded pot shelf, height 196cm, width 176cm, depth 41cm.

Estimate: £200 - £400

Condition Report

2004. As quite a provincial piece, it seems to have been made from part mahogany, with softwood side panels and plate rack, as well as elm legs. Some overall wear, old woodworm to baseboards, some of the trim missing to frieze. General cracks and marks to timber commensurate with age.
