LOT 2039

A William IV rosewood tip-top breakfast table, in the manner of Gillows of Lancaster, raised on a reeded stem and circular platform with carved claw feet, height 72cm, diameter 132cm (split to top).

Estimate: £80 - £120

Condition Report

2039. The split to the top is exactly where the carcass should be joined and the veneer was already in sections. There are a few chips to the carved stem and some sections of veneer missing to the base.
