

Collectors' Items, Works of Art and Light Fittings / Thursday, 18th April 2024 / Lot 2737

LOT 2737

A Garrard 401 transcription motor and turntable with an SME model 3009 arm, later housed within an oak coffer, together with manual and a spare stylus head.

Estimate: £300 - £500

Additional Comments

2737. No plug that can be connected to power, so unable to tell whether it is in working order.
