LOT 703

A pink sapphire and diamond ring, claw set with the oval cut pink sapphire between three circular cut diamonds mounted to each side, indistinct mark, weight 2.8g, ring size approx S.

Estimate: £100 - £150

Condition Report

Pink sapphire has a chip to the girdle/crown edge.

Resized in the past.

Likely white gold, as rubbing down to a yellowish colour metal, suggesting rhodium plated, but untested.

Typical scratching to shank.
