LOT 571

An Edwardian gold, sapphire and seed pearl necklace, the front designed as a tied bow with foliate motifs, mounted with circular cut sapphires and seed pearls, detailed '15ct', with a gold neckchain on a boltring clasp, detailed '15', total weight 6.3g, length 38.5cm.

Estimate: £180 - £220

Condition Report

The joints are not soldered closed where the four sections (includes drop) are connected. The joints connecting the front to the chain are also not soldered closed but are tighter and less likely to separate.

Four seed pearls are lacking, one is an imitation replacement, three or four others are showing signs of peeling.

The sapphires appear ok, with no obvious damage or wear.

Clasp in working order.
