Condition Report

411. Bateman jug - generally good condition, but kink/dent to stem and slightly misshapen foot, wobbles slightly so requires a little attention. Typical light surface scratches and wear. Engraved monogram to front. Slightly rubbed hallmarks - image 2 on our website.

Other jug - generally good condition. Typical surface scratches and wear. Small dents to front cartouche. Weighted base which is probably obscuring the marks to underside. Sits pretty flat. Wear to gilt interior.
