LOT 4025

A George III officer's flintlock pistol by E. [Ezekiel] Baker, with round barrel, barrel length 23cm, detailed 'E. Baker', brass furniture and captive-style swing-over ramrod, the underface of the trigger guard detailed 'No. 28'.

Estimate: £150 - £250

Condition Report

4025. Action is tight, half and full cocks. Overall old rust to steel work, some possibly active in small places. Brass work with a deep green patination. Woodwork a nice colour, mild areas of bruising as you would expect. In our opinion, an untouched gun.
