LOT 559

A platinum, demantoid garnet and diamond ring, claw set with the circular cut green demantoid garnet at the centre, otherwise in a scrolling design mounted with circular cut diamonds, detailed 'Plat', weight 7.4g, ring size approx O.

Estimate: £80 - £120

Condition Report

Resized in the past.

Claws in good condition, no evidence of wear to the garnet.

The piece looks to have hardly been worn, light scratching/wear to back of shank.

Suggested age - second half 20th century.
