LOT 567

An Austro-Hungarian gold bracelet in a four section bar link design, on a sprung clasp, weight 13.9g, length 20.5cm.

Estimate: £200 - £250

Condition Report

The Austro-Hungarian mark would suggest approx. 14ct gold, with Prague city mark.

The gold is a copper colour.

The piece is of hollow construction, with some noticeable denting to one of the link interiors, the other links in fairly good condition.

Clasp in working order.
