

Jewellery / Wednesday, 15th May 2024 / Lot 691

LOT 691

A semi-opaque mottled butterscotch amber drop shaped pendant, total weight 15.2g, dimensions of amber only 4.1cm x 3.6cm, two base metal and colourless paste set oval photograph frames, each with a portrait of a gentleman, an imitation amber pendant, two gilt metal circular pendant lockets, each glazed with photographs, and a Victorian gilt metal mounted brooch with glazed locket compartments.

Estimate: £50 - £70

Condition Report

Amber pendant - overall crazing, scuffing in places

Two floral frames - some minor losses to enamel, wear to colourless pastes, one petal bent, small repair to one gilt border

Victorian glazed brooch - pin lacking, old gold test scratches to back, two floral motifs lacking from each end, split on one side

Imitation amber - scuffed and bruised in places

Smaller gilt metal circular pendant - gilt rubbed to surmount

Other gilt metal circular pendant - in fair condition
