LOT 2008

An early 18th century provincial oak dresser base, fitted with three deep drawers, height 77cm, width 201cm, depth 45cm.

Estimate: £300 - £500

Condition Report

2008. Long thin split to the rear edge of the top. Rear legs have been re-tipped. Drawers work reasonably well for heavy, quite worn drawers. Only one drawer is fitted with a lock and the other two escutcheons are merely decorative. Metalwork possibly original.
