

Collectors' Items, Works of Art and Light Fittings / Thursday, 16th May 2024 / Lot 2520

### LOT 2520

A Perry & Co Limited Odell typewriter, boxed.

Estimate: £200 - £300

---

### Condition Report

2520. The typewriter has clearly been untouched and uncared for for some time and has a light covering of surface rust. There appears to be something missing to the end of the letter rack, but cannot be sure of any other missing parts. The carriage return does not appear to be working.
