

Jewellery / Wednesday, 15th May 2024 / Lot 575

### LOT 575

A 9ct gold torque bangle, Birmingham 1991, weight 24.2g, inside width 5.9cm.

Estimate: £350 - £450

---

### Condition Report

Hallmark clear

Overall scratching/scuffing to the piece. Solid construction so no obvious signs of denting.

Please note due to its rigid structure it will only fit a fairly small wrist.
