### Condition Report

24 - General age toning to paper. Light sparse foxing. Large 14.5cm repaired tear running vertically from top-edge left of centre. Smaller repaired tears to the bottom right quarter. A few touches of overpainting elsewhere too, disguising some small surface scratches. Other minor tears and repairs along the bottom margin. Mount does not appear to be archival. Frame with some damage and considerable loss of moulding. This work has not been examined out of the frame.
