### LOT 774

A Continental silver and plique-à-jour varicoloured enamelled necklace, early 20th century, spaced with four enamelled links, the front mounted with a drop with a sailing boat motif, weight 45.2g, length 113.5cm, and a blue and green enamelled bar brooch.

Estimate: £80 - £120

### Condition Report

774. In generally good condition but is a little dirty and tarnished so would certainly benefit from a clean. Enamel appears to be in good order with no losses. Very much as it looks in online images, no significant damage or repairs.

Bar brooch is an Art Nouveau button soldered onto a bar brooch. Typical surface scratches and wear.
