LOT 2830

A mid-Victorian silk patchwork quilt, 190cm x 150cm, together with another similar silk and cotton patchwork quilt, worked with overall medallions, within a wide pink border, 247cm x 200cm.

Estimate: £100 - £200

Condition Report

2830. The 'tumbling clock' quilt is almost entirely silk and does have numerous panels of deterioration with some areas covered in net to protect further damage. There is also a worn hole to the rear lining. The other quilt with the pink border has an overall browning and some corrosion to a few select panels, which appears to have been deterioration of a particular print.
