### Condition Report

1197. Pierce Automatic - winds and adjusts smoothly and is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch. Date rolls over as it should.

Case with typical surface scratches and wear, some degrading to luminous batons on dial, otherwise ok.

Pierce Correctomatic - in generally good condition. Winds and adjusts smoothly and is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.

We know the two pushers on the side control a regulation system but unfortunately we do not know much about this watch.

Dial has some light spotting. Case with typical surface scratches and wear.
