LOT 1565

A Moorcroft Banded Cornflower pattern vase, 1920s, the rim inscribed with the Latin phrase 'FACTA NON VERBA' (acts, not words), impressed marks to base with blue painted initials, height 19cm.

Estimate: £250 - £350

Condition Report

In good condition overall with no cracks, chips or restoration.

There is overall typical fine crazing to the glaze.

The widest part of the body, where the flowerheads are, has a number of small scratches which aren't immediately noticeable but once seen do catch your eye a little.

The colours overall are good and strong, the cobalt blue ground is a little patchy.
