LOT 1563

A Moorcroft Florian Ware Cornflower pattern two-handled vase, circa 1900-02, in shades of green and blue, green painted signature to base and impressed numerals, height 21.5cm.

Estimate: £800 - £1,200

Condition Report

In good condition overall with no cracks or restoration.

There is a minuscule glaze nick to the top rim edge - see image 5 on our website using the zoom function - it is 0.2cm long.

One of the handles has some minor surface scratches, only noticeable on very close inspection.

The vase displays only very minimal crazing and this is to the neck on the vase exterior, and to the base interior where the glaze seems to have pooled.
