LOT 3348

FROST FAIR. An engraved River Thames Frost Fair souvenir 'printed on the Ice upon the Thames at Queen-Hithe, January 25th, 1739-40' for Mr Richard Chester, 20cm x 28.5cm, (faults) within a gilt frame.

Estimate: £100 - £200

Condition Report

Heavy browning and age toning throughout. Some staining. Some tears and splits to paper, particularly to the bottom quarter, but a few repaired tears elsewhere. Some foxing. Difficult to establish if it has been laid down or not, but the top half of the paper has that appearance. This work has not been examined out of the frame. The frame has some scuffs and loss of composition to extremities and is also a little soiled.
