LOT 1562

A Moorcroft Banded Pomegranate pattern cylindrical vase, 1920s, with cobalt blue ground, impressed marks to base with blue painted initials, height 20.3cm.

Estimate: £200 - £300

Condition Report

Typical fine crazing to the glaze, otherwise in good condition overall with no cracks, chips or restoration. There are some fine light surface scratches to the glaze, particularly one small concentrated area of scratches to the middle of the wide blue band, and a few to the interior top of the vase.
