Condition Report

Please view the images on our website using the zoom function.

There is an unsprung chip or bruise approx 1cm long to the outer side edge of the foot. There are also 6 smaller chips/nicks to the outer side edge/underside of the foot.

One of the birds tails has a couple of nicks to its very fine section near the foot.

The breast of one bird has a small rough manufacturing flaw.

The blue staining is a little worn.

Overall there are typical light surface scratches/scuffs commensurate with age and handling, nothing untoward or unexpected.
