LOT 1818

A Val St. Lambert blue flashed clear glass sculptural figure of the Madonna, raised on a frosted base, engraved mark and original applied paper label to base, height 37.5cm, together with a William Yeoward Crystal campana shaped vase, height 31.5cm.

Estimate: £50 - £70

Condition Report

Madonna figure - there is an approx 7cm long manufacturing flaw running vertically up the reverse side edge of the figure and horizontally halfway along the reverse edge. There are some small scratches to the back right shoulder of the figure. The base footrim edges of the frosted base are chamfered, I'm unsure if this is original or to disguise damage as it is a little uneven in its finish. Some of the paper label is missing.

Yeoward - in good condition with no damage or repairs.
