

Glassware / Thursday, 30th May 2024 / Lot 1897

LOT 1897

An unusual glass vase, probably Loetz Ausfuehrung 134, circa 1915, the ogee body of pale blue colour, overlaid with a darker blue craquelé layer, cased in clear, applied in relief with a cobalt papillon stylized snake entwined around the neck and lower body, unmarked, height 13cm.

Provenance: from the collection of John and Poppy Stallebrass.

Estimate: £300 - £500

Condition Report

In good condition overall. There is a minuscule nick to the very tip of the snake's tail, only noticeable on VERY close inspection with an eyeglass.

There is a patch of surface scratches to the base interior of the bowl.

Otherwise in good condition.
