LOT 1605

A Richard Batterham studio pottery two-tone glazed vase, the neck rim with green ash glaze, the lower body with darker iron glaze, unmarked, height 15cm.

Estimate: £150 - £200

Condition Report

In good condition overall with no cracks, chips or restoration.

There is crazing to the glaze visible through the ash glaze.

There are inconsistencies to the glaze and body which are a natural part of the manufacturing process with a handmade object.
