### LOT 1920

A mixed twist stem wine glass, circa 1765, the ogee bowl with basal flute moulding, raised on a plain stem with four spiral threads outside a single corkscrew edged with a small airtwist, on a conical foot, height 15cm, together with a small single series opaque twist stem glass with four multi-ply spiral threads outside a thin vertical black coloured column, on a conical foot, height 12cm. Provenance: Arthur Henry Green, a private collector from Enfield, died 1953. Thence by descent.

Estimate: £120 - £180

### Condition Report

Mixed twist - diameter of foot 7cm, there is a teeny tiny flea bite to the edge of the foot, which although it is a good size looks potentially like it has been polished a little as there is a lack of consistent wear to the underside. Otherwise in good condition.

Single series - diameter of foot 6.5cm. In good condition overall.
