LOT 1910

An engraved pedestal stem wine glass, circa 1730-40, the thistle bowl with a solid base, engraved with fruiting vine opposing a moth, the six-sided pedestal stem raised on a folded conical foot, height 16.5cm.

Provenance: Arthur Henry Green, a private collector from Enfield, died 1953. Thence by descent.

Estimate: £250 - £350

Condition Report

Diameter of foot 7.7cm.

On close inspection I have some possible doubts that the bowl and stem started off life together, they may possibly be a marriage. I say this as the colour of the glass looks a little different between the stem and bowl and the design just looks a bit out of proportion.

The bowl has some minor scratches and some slight roughness to the top rim edge. Otherwise no significant damage or repairs.
