### LOT 516

A 9ct gold and diamond ring designed as a tied bow, Birmingham 2008, ring size approx O1/2, and a 9ct white gold, diamond and varicoloured gem set ring, ring size approx N1/2 (two gems lacking), total weight 7.6g.

Estimate: £100 - £150

### Condition Report

Diamond bow ring - in generally good condition, all diamonds appear to be present.

Varicoloured gem ring - two gemstones lacking, unfortunately due to the style of setting we cannot say with certainty the identity of the gemstones, more than likely to be blue topaz, amethyst, the pink stones possibly pink sapphire, but this is an opinion only.

Both rings with typical light surface scratching/wear to the gold.
