

Collectors' Items, Works of Art and Light Fittings / Thursday, 13th June 2024 / Lot 2576

LOT 2576

A 19th century scrimshaw whalebone walking cane, the upper section of the shaft with carved spiral fluting, the marine ivory pommel of turned tapering form, length 87cm.

Estimate: £100 - £200

Condition Report

2576. Good general condition but with a slight warp. The tip has a band of tape attached but this does not appear to be a repair.
