

Collectors' Items, Works of Art and Light Fittings / Thursday, 13th June 2024 / Lot 2593

### LOT 2593

A group of five rare 19th century daguerreotype stereoscopic viewing slides, in the manner of Alexis Gouin, each depicting a studio portrait of a glamorous female model, 8.2cm x 17cm, together with twenty photographic glass stereoscopic slides depicting topographical views.

Estimate: £300 - £500

---

### Condition Report

2593. One daguerreotype has a crack to a corner with selotape covering that corner, one other has selotape running around the edges to hold the back on, otherwise they are in reasonable condition.
