

Jewellery / Wednesday, 10th July 2024 / Lot 588

### LOT 588

An 18ct gold, diamond and emerald ring in a slanting design, partial marks, weight 3.9g, ring size approx S1/2.

Estimate: £120 - £160

---

### Condition Report

Some wear to the shank, some thinning at the back.

Emeralds are heavily abraded/rubbed, with one or two surface reaching inclusions.

There is some wear to the setting securing one or two emeralds.

Largest diamond is badly fractured, missing a section from the table as a result.

Another diamond has an internal fracture, another has a small chip to the table facet edge.

Typical scratching to the shank/setting.
