LOT 2035

A set of twelve George III mahogany dining chairs with arched top rails and spindle backs, the seats overstuffed in printed cotton, on fluted tapering legs, comprising two carvers, height 93cm, width 55cm, and ten standards.

Estimate: £250 - £350

Condition Report

2035. Generally the chairs have some old woodworm to the seat rails and some fading to the surface of the mahogany. A few replacement legs and three chairs are particularly wobbly, with loose joints to the legs.
