

Jewellery / Wednesday, 10th July 2024 / Lot 544

## LOT 544

A white gold, opal and diamond ring, claw set with the oval opal within a surround of single cut diamonds between split shoulders, detailed '14K', weight 9.1g, opal dimensions approx 19.3mm x 15.9mm x 5mm, ring size approx S.

Estimate: £500 - £700

---

## Condition Report

The opal is solid and natural. There are a few light scratches to its surface, noticeable under magnification.

Diamonds are approx. VS clarity, I/J colour.

The piece is generally in good condition, minimal wear to the shank/setting.
