

Jewellery / Wednesday, 10th July 2024 / Lot 669

LOT 669

A gold, silver set and diamond five stone ring, mounted with a graduated row of old European cut diamonds, unmarked, weight 2.6g, total diamond weight approx 1.60-1.80ct, ring size approx M1/2, with a case.

Estimate: £700 - £1,000

Condition Report

The ring has been re-shanked. The head of the ring is likely circa 1900.
The diamonds are on average SI clarity, L/M colour, slightly grey.
The central diamond has a small chip.
Otherwise in fairly good condition.
