LOT 678

A varicoloured enamelled, seed pearl and gem set pendant, probably Austro-Hungarian, designed as St George and the Dragon in the Renaissance taste, detailed 'HB', length 7.3cm (lacking lance).

Estimate: £100 - £150

Condition Report

Lance missing.

Some general losses to the enamels, particularly to the horse's legs and to the dragon.

One or two pearls are peeling.

From a private vendor, otherwise no other provenance known.
