### LOT 2012

An early 18th century provincial oak dresser base, fitted with three drawers above three dummy drawers, height 81cm, width 149cm, depth 48cm.

Estimate: £200 - £400

---

### Condition Report

2012. The three pieces of trim are a bit later and there is quite substantial gapping to the timbers on top. Some chips around the edges of drawers and a repair strip of wood across the top of the left drawer. The three small drawers are just dummy fronts. Lacking lock to central drawer. Otherwise minor scuffs and surface wear.
