

Jewellery / Wednesday, 10th July 2024 / Lot 576

## LOT 576

A gold, aquamarine and seed pearl pendant necklace, the front in a floral and foliate wreath design, mounted with two pear shaped aquamarines, otherwise set with seed pearls, on a cylindrical clasp, detailed '15ct', weight 6.1g, length 45.5cm, with a case.

Estimate: £180 - £220

---

## Condition Report

In generally good condition.

Pearls are well matched with minimal signs of wear/peeling.

One or two tiny nicks to the aquamarines, only really visible under a loupe.

Clasp in working order.
