### LOT 501

A gold, platinum, diamond, garnet, sapphire and varicoloured gemstone jabot pin, the pin terminals mounted with two rows of rose cut diamonds and garnet single stone terminals, unmarked, weight 11.4g, width 7.5cm.

Estimate: £500 - £700

### Condition Report

In generally good condition.

There is the odd tiny nick here and there to the facet edges of the coloured gemstones, but largely insignificant, only visible under magnification.

A rose cut diamond to one terminal of the pin has a significant surface reaching inclusion.

The pink gemstone within the chain is testing as a spinel.
