LOT 764

A Chinese silver gilt and turquoise ring, the hinged bezel opening to reveal a carved orange hardstone Buddha, otherwise with ropetwist decoration between foliate shoulders, detailed 'Silver', weight 11.8g, ring size approx M, with a case.

Estimate: £40 - £60

Condition Report

Hinge opens and closes nicely.

We cannot be certain that the turquoise has not been treated.

The buddha might be a type of chalcedony, but this is only an opinion.
