### LOT 2335

An early 19th century red stained composition circular snuff box, the lid inset with a glazed blue dip jasperware plaque, diameter 8cm, together with an early 19th century tortoiseshell and gold inlaid circular snuff box, diameter 6.5cm.

Estimate: £70 - £100

### Condition Report

2335. The exterior of the striped box appears to be a lacquered surface, however, it is lined in tortoiseshell. There is a bit of surface wear and some loss to the gold inlay. The red box has a thin split to the edge and the plaque is almost certainly a later replacement.
