LOT 2567

After the antique - an early 20th century brown patinated cast bronze figure of a Borghese Gladiator, raised on a stepped marble plinth, height 39.5cm.

Estimate: £60 - £100

Condition Report

2567. The white spots on the surface is just some paint splashes, easily removable. There are a few very small chips to the bottom corners of the base. The bronze has a few minor surface scuffs but is in good order.
