LOT 2088

A pair of early 20th century Moorish bone and mother-of-pearl inlaid octagonal tip-top occasional tables, height 63cm, width 41cm.

Estimate: £60 - £100

Condition Report

2088. One of the tables is rather wobbly with crude replacement blocks at the base of the supports. The bottom brackets on both look rather crude and are probably replacements too. They work ok and there is no woodworm, but they have had some crude alterations.
