

Jewellery / Wednesday, 7th August 2024 / Lot 707

LOT 707

A small group of jewellery, including a gold mounted rectangular shell cameo pendant brooch, carved as a portrait of a lady, detailed '375', length 4.1cm, a gold mounted circular pendant locket, detailed '9c', total weight 12.1g, and two cameo brooches.

Estimate: £70 - £100

Condition Report

Circular pendant - damaged/dented surmount, some signs of wear to metal

One twin cameo brooch - one black cameo badly chipped, lacking part of mounting

Other twin cameo brooch - one with slight cracking at bottom and one side

Pair of studs - one appears to be lacking its mounting, not an exact match to the other

Elephant brooch - pin bent

Other pieces are in fairly good condition, with typical light scratching/scuffing.
