

Jewellery / Wednesday, 7th August 2024 / Lot 653

LOT 653

A white metal and diamond flowerhead shaped ring, mounted with an old cut diamond within a surround of six larger variously cut diamonds, unmarked, weight 3.1g, total diamond weight approx 1.00ct, ring size approx N.

Estimate: £400 - £600

Condition Report

One larger diamond with some nibbling to the facet edges on the corners, visible under a loupe.

Central diamond has a surface chip.

Shank is slightly misshaped, with some slight thinning to the shank.
