LOT 2627

A late 20th century chrome plated 'Ara' lamp, designed by Philippe Starck for Flos, circa 1988, the adjustable cone-shaped top above a flared stem and circular base, height 55cm.

Estimate: £200 - £300

Condition Report

2627. There are some surface marks to the chrome body, but most of this is some removeable sticky tape residue that should come off. It could do with a polish and the majority of these minor marks will come off. The lamp has not been tested, but little reason for it not to work.
