## Condition Report

In good condition overall with no cracks, chips or restoration.

Typical overall fine crazing to the glaze.

There is a small narrow section of glaze loss to the top outer rim edge, approx 1.5cm long, please see image 5 on our website.

There are a few minor manufacturing blemishes to the glaze, e.g., some small loss of tube lining, nothing terrible.

A few typical and light surface scratches, again, nothing untoward and only noticeable on close inspection.
