LOT 1801

An Annette Meech studio glass bowl for The Glasshouse, dated 1985, the smoky body with a haphazard design of horizontal lines to the interior surface beneath a red rim, engraved marks to base with numerals '1345', height 25cm, diameter 25cm. Provenance: from the collection of John and Poppy Stallebrass.

Estimate: £60 - £100

Condition Report

In good condition overall with no damage or repairs.

There are surface scratches to the top rim edge of the bowl, almost as though it has been stored upside-down, which might have been the case as the foot is small and although stable does feel a little unsafe.
